

Three Pillars of IDEMA Japan (IDEMA 2.0)

**Journey to Rebuild the future innovation framework
to lead data storage solutions**

Creating Value Out Of Data

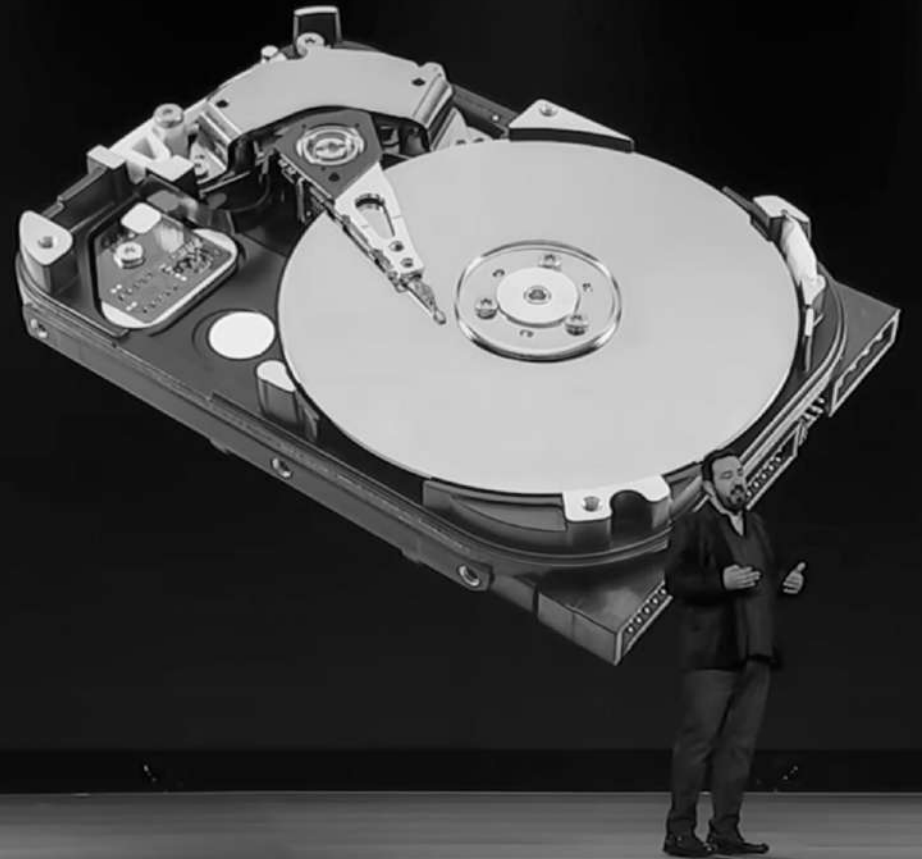

SOURCE: IDC Global Storaagesphere Forecast, 2022-2026, April 2022, #US49155722

“While SSDs have replaced hard drives in a number of places, in the cloud, hard drives are still the king of big data.”

Peter DeSantis
